The sale and delivery of goods and/or services does not constitute a partnership or any form of ownership agreement between recipient and Fascinations® hereby grants permission to the purchaser of merchandise to use its product images, trademarks, copyrighted material and other copyrighted material for the sale and promotion of Fascinations® product(s). This permission is non-transferable, non-exclusive and may be revoked at the sole discretion of Fascinations®.
- This agreement shall be governed by the laws of the State of Washington. The sole venue for any disputes or claims arising in, out of or from this agreement shall be limited to King County, Washington State. Resellers may **not sell, transfer, or distribute Fascinations® products to any third party, wholesaler, or reseller** who intends to list the products on these marketplaces without Fascinations® authorization. Violations of these restrictions may result in **suspension or cancellation of orders, termination of reseller privileges, or other remedies** deemed appropriate by Fascinations®.

- To maintain a backorder, there must be at least sixteen Metal Earth®, Premium Series® or Gift Box Sets® models backordered.

- All Fascinations® customers must adhere to our **Minimum Advertised Price (MAP) policy**. MAP Policy Guidelines can be requested via email to mortimer@fascinations.com

IMPORTANT: Fascinations® has determined that its interests are best served through the adoption of a **Minimum Advertised Price (MAP) policy**. This MAP policy is designed to: (1) protect reseller margins so that desirable pre-sales and post-sales services and infrastructure can be provided by our channel partners; (2) support the Fascinations® brand as a premium offering; and (3) avoid destructive intra-brand channel conflict. Sellers who advertise a price lower than the MAP next to the featured MAP product, in any advertising, will be in violation of this MAP policy.

Fascinations® reserves the right to modify, suspend, or discontinue the MAP policy in whole or in part, or to designate promotional periods during which the terms of the policy change, or periods during which the policy is not applicable. Violations of the MAP policy shall be determined by Fascinations® at its sole discretion. Intentional and/or repeated failure to abide by this policy may result in Fascinations® refusing to sell product to the related business or buyer. This policy has been unilaterally adopted by Fascinations® and will be uniformly enforced.

Fascinations® MAP policy applies to all advertisements of Metal Earth® and Premium Series® products and all media, including, without limitation: flyers, posters, coupons, mailers, inserts, newspapers, magazines, catalogs, mail-order catalogs, internet or similar electronic media, television, radio, and public signage. Fascinations® recognizes that many internet sites ship internationally; however, Fascinations® reserves the right to prohibit retailers from shipping our products outside the United States. Any retailer that ships Fascinations® products outside the United States will be in direct violation of this MAP policy.
