

It is highly recommended that you visit www.metalearth.com/360/icx112 to see the completed model before assembling your own

TO CREATE THE BEST CONNECTIONS

Legends:

- E** Engraved side color side
- NE** Non-engraved side Non-color side
- Attention point
- Insert tab and bend 90 degrees
- Insert tab and twist 90 degrees

Recommended tools:

- Wire cutters: helpful for taking parts from the metal sheets.
- Tweezers or needle nose pliers: helpful for folding parts, bending and twisting tabs.

Assembly tip:
If needed, slightly twist tabs to hold parts together then untwist and bend them down for a nice finish

METAL SHEET

Foam sticker

In order to avoid possible injury from sharp edges, please carefully discard the metal sheets after parts have been removed.
