It is highly recommended that you visit www.metalearth.com/help/mms173 to see the completed model before assembling your own

Legends:

Engraved side /Color side

Non-engraved side /Silver side

Insert tab and bend 90 degrees

Insert tab and twist 90 degrees

Assembly tip:

If needed, slightly twist tabs to hold parts together then untwist and bend them down for a nice finish

Recommended tools:

Wire cutters: helpful for taking parts from the metal sheets.

-Tweezers or needle nose pliers: helpful for folding parts, bending and twisting tabs.

Parts that are in the same color are duplicates

Metal sheet

In order to avoid possible injury from sharp edges, please carefully discard the metal sheet after parts have been removed
