Metal Earth®

3D METAL MODEL KITS

Wild West Stage Coach

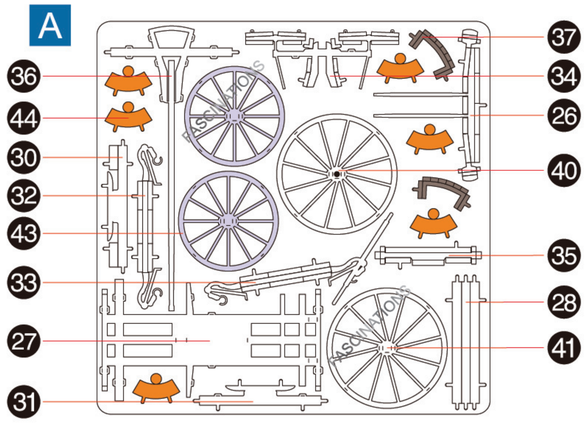

Item No. MMS189

360° view

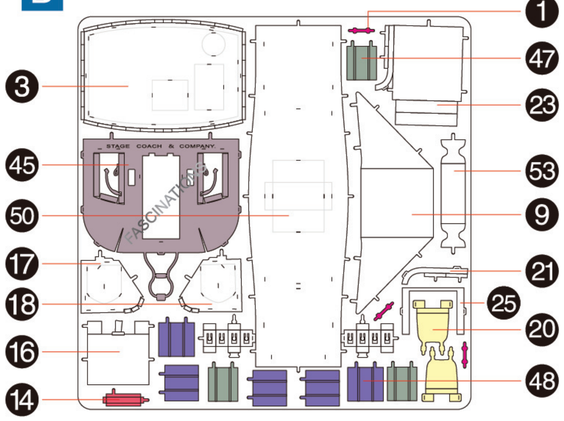

It is highly recommended that you visit
www.metalearth.com/360/mms189
to see the completed model before assembling your own

Metal sheets

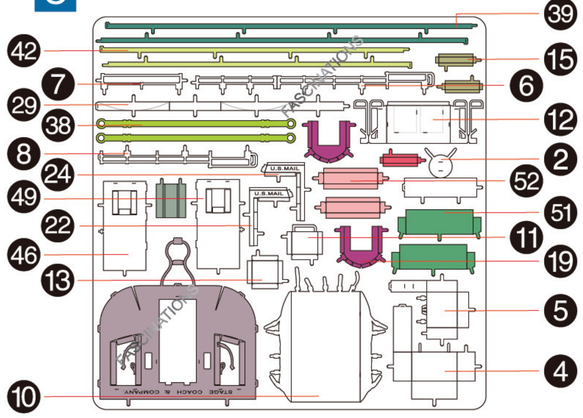

Parts that are in the same color are duplicates

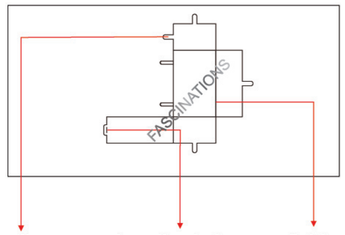

B

C

In order to avoid possible injury from sharp edges, please carefully discard the metal sheets after parts have been removed

Insertion tabs are inserted and then folded

Insertion holes

Fold lines can be seen as shown here

Legends:

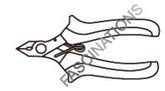

- E — Engraved / Color side
- NE — Non-engraved / Silver side
- Attention point
- Insert tab and bend 90 degrees
- Insert tab and twist 90 degrees

Assembly tip:

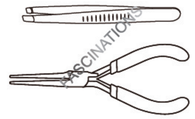

If needed, slightly twist tabs to hold parts together then untwist and bend them down for a nice finish

Recommended tools:

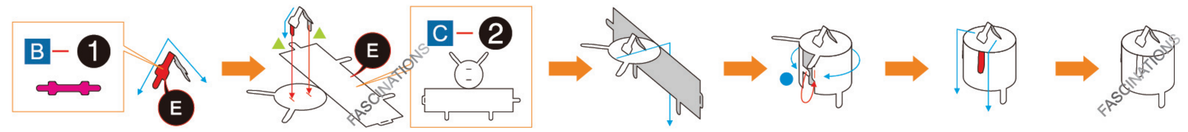

-Wire cutters: helpful for taking parts from the metal sheets.

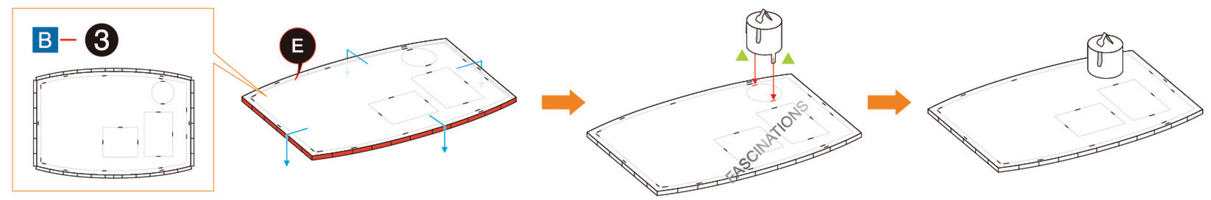

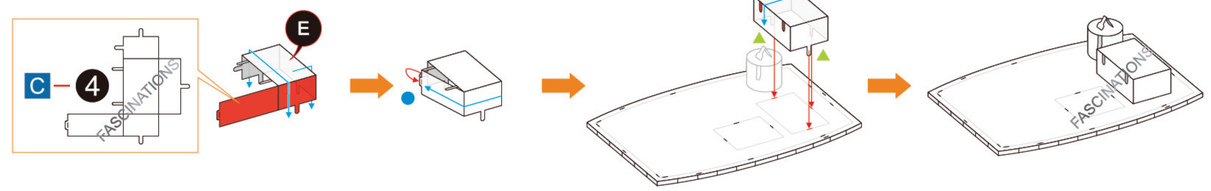

-Tweezers or needle nose pliers: helpful for folding parts, bending and twisting tabs.

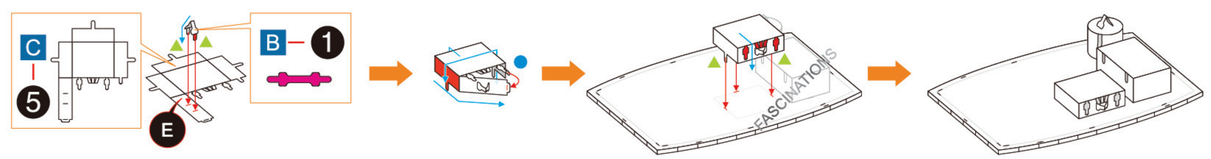

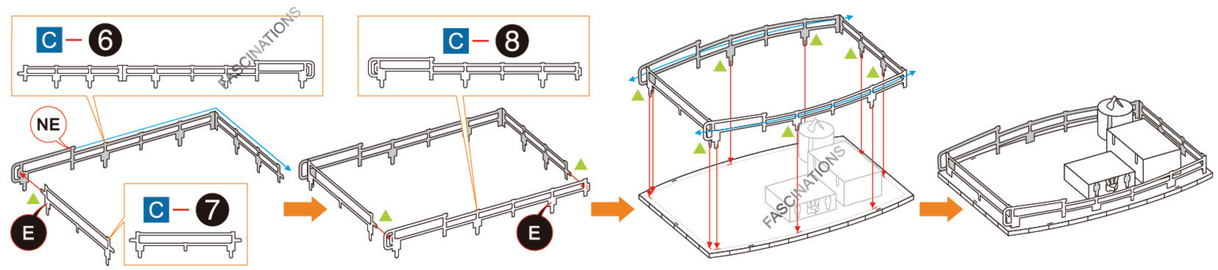

Assembly Flow Chart

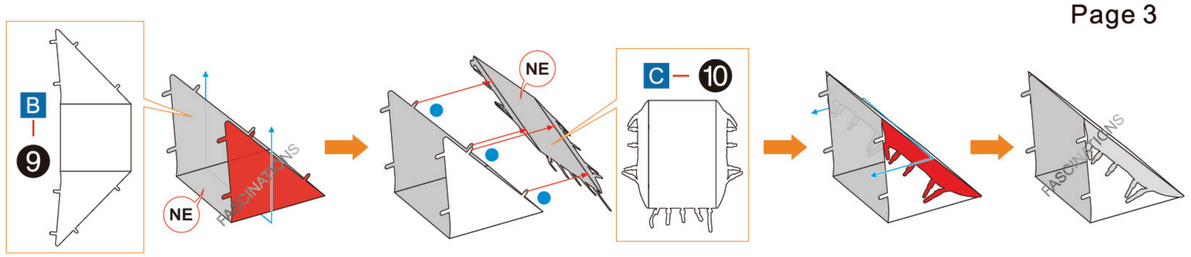

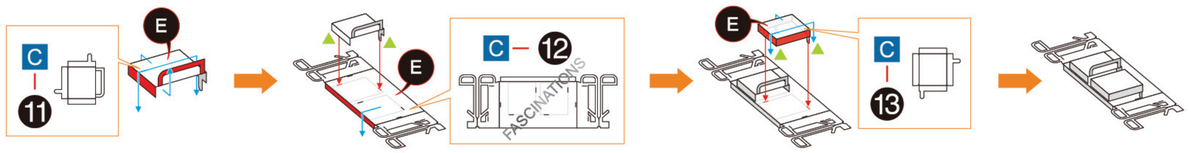

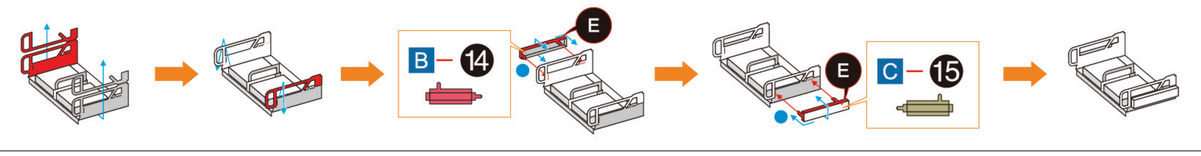

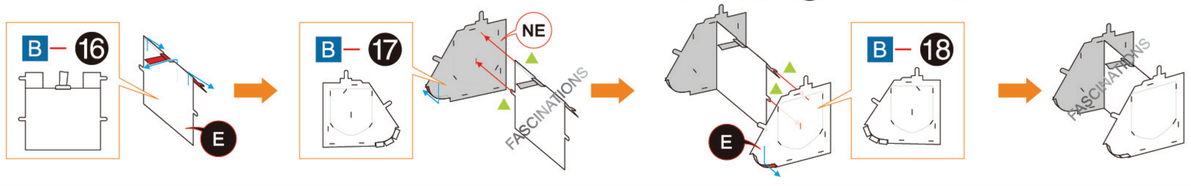

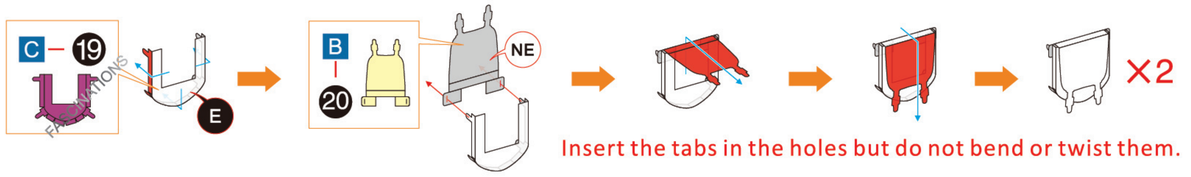

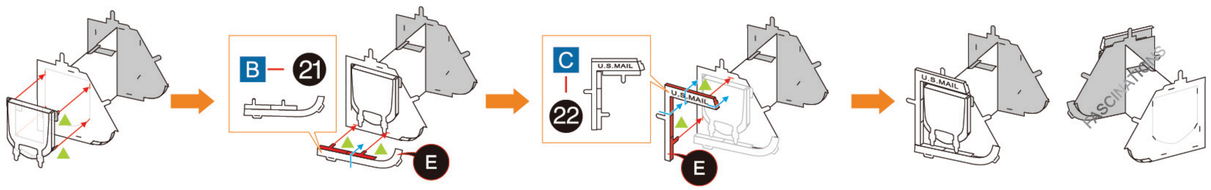

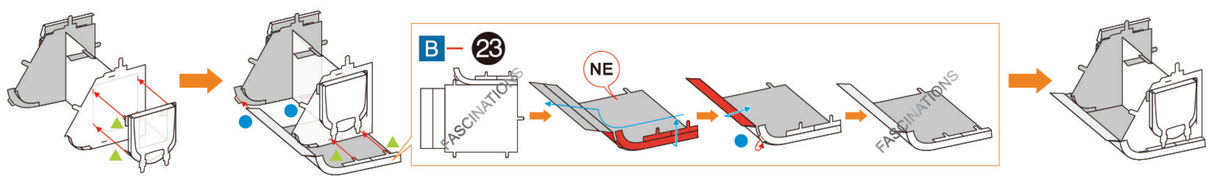

Make sure part B – 16 are connected to the right holes on part B – 17 and B – 18 as shown below.

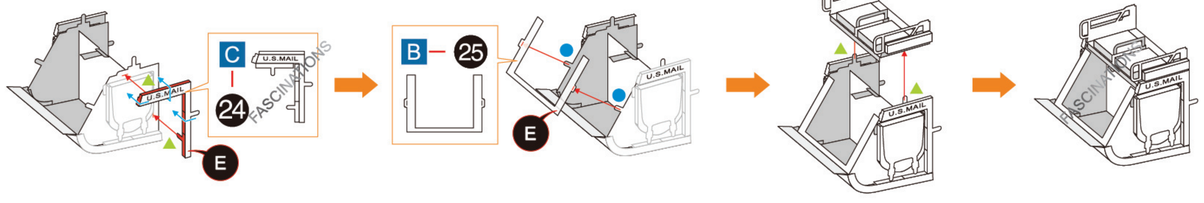

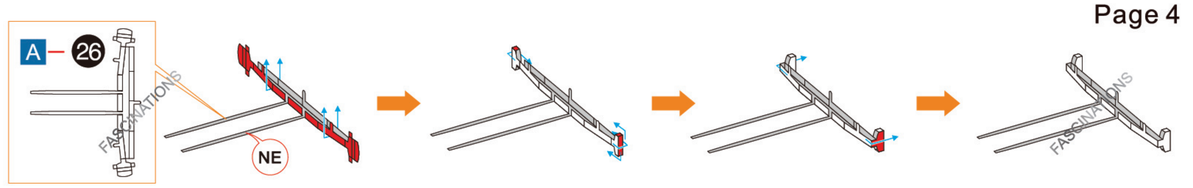

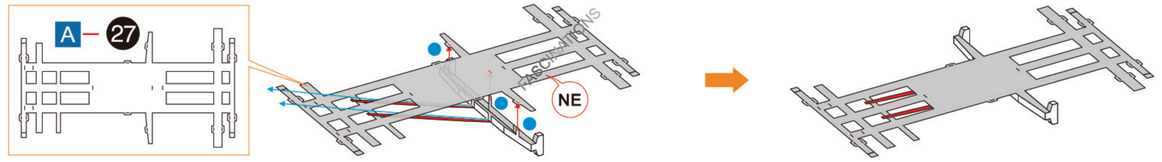

Insert the tabs in the holes but do not bend or twist them.
